Hi All,

Great news, the official announcement and offering of CRA's Auto & Home Insurance Program with MetLife will be mailed to dues-paying Members on or about November 9.

We are very excited about this Program. It offers material discounts that are over and above those that are typically found under individual policies. Plus it provides further discounts based on years of dues-paying membership in CRA. To continue to receive these discounts individuals must remain dues-paying Members. Believe me when I say the discounts are substantial – one of our Members was able to get a 50% discount on her auto insurance.

We would encourage you to make sure that your Members are aware of this exciting Program and the upcoming mailing. We also would like you to encourage Members to look at the discounts that are available. Remember, they are not obligated to switch to MetLife. Also all quotes are free.

With your help and support we are hoping that the Auto & Home Insurance Program plus the Dental Insurance Program plus the literature and assistance that we provide our dues-paying Members will encourage individuals to maintain their membership. We also hope that these Programs, literature and assistance will help entice other retirees to join CRA.

Please remember this is just another way in which we add value to CRA membership. If you have any questions please let me know.

Regards,
