

"GIVE A BIO – GET A LUNCH"

ORANGE CHAPTER PRESIDENT GLENN DUTTON, NOW SERVING AS THE AREA VICE PRESIDENT FOR THE SOUTH TEXAS AREA, CAME UP WITH THIS IDEA FOR A CHAPTER LUNCHEON:

With all the losses of our retirees recently, I've decided to issue a challenge. If you will write a resume of your life and bring it to the January luncheon, the Chapter will pay for your lunch. This applies to retirees and spouses.

It seems that we learn so much about people only through their obituaries that we would rather have known when they were alive. Please include where you were born; significant events that occurred when you were growing up, i.e. moves, school activities, travels, etc; military service (when and where); work experiences; how and where you met your spouse; your children; church activities; hobbies; volunteer activities; anything else you would like people to know about you. This challenge is open to the Texaco and Unocal retirees that will be visiting our Chapter in January.
