

Benefits Tips and Helpful Information

January 12, 2017

Chevron and the Chevron Retirees Association help by sponsoring certain benefit plans and discounts for eligible retirees and their dependents. The plans include Medical, Dental, Vision Care, Life Insurance, Long-Term Care Insurance and Retirement Benefits. The discount programs include the CRA Auto and Home Insurance Program, the Discount Hearing Aid Program and many other discounts that are offered by Chevron through their Recreation website, including discounted cell phone service offered through Verizon and Sprint Wireless. We appreciate that it can be confusing at times as to who to call with a question. The contact information for each of these plans and discounts as well as contact information for Medicare, Social Security and the Health Insurance Marketplace is shown below.
