

Puget Sound Luncheon Noon April 11, 2019

Mr. & Mrs. Cook will meet our group on April 11th at the Redmond Family Pancake House to talk about Ancestry.com.

This morning, I met with Laura & Wade Cook & am excited to hear what they have to say.

One thing they told me is have your smart phone with you & they can show you something amazing.

They are with the LDS Church in Maple Valley & man the Family History room on Wednesdays from 9AM-1PM. They told me about the various websites & tools that are available (for free) to assist those who want to know their family tree.

I am going to pick up the screen & projector from Ray for their presentation.

Betty K.

Bob Dugger ... Not sure if they can do a search at the luncheon, but I'll advise them of your request.

Ray Airone ... After talking the Laura & Wade I think they are 'mentors' & do help beginners.

PLEASE JOIN US NEXT THURSDAY!
